

Who are the Sons of Confederate Veterans

The citizen-soldiers who fought for the Confederacy personified the best qualities of America. The preservation of liberty and freedom was the motivating factor in the South's decision to fight the *Second American Revolution*.

The tenacity with which Confederate soldiers fought underscored their belief in the rights guaranteed by the Constitution. These attributes are the underpinning of our democratic society and represent the foundation on which this nation was built.

Today, the **Sons of Confederate Veterans** is preserving the history and legacy of these heroes, so future generations can understand the motives that animated the Southern Cause.

The SCV is the direct heir of the United Confederate Veterans, and the oldest hereditary organization for male descendants of Confederate soldiers. Organized at Richmond, Virginia in 1896, the SCV continues to serve as a historical, patriotic, and non-political organization dedicated to ensuring that a true history of the 1861-1865 period is preserved.

Membership in the **Sons of Confederate Veterans** is open to all male descendants of any veteran who served honorably in the Confederate armed forces.

About Us:

We the members of the Brigadier General Micah Jenkins Camp #1569 thank you for your interest in joining the Sons of Confederate Veterans. The camp was chartered on July 9th, 1991 and is located in Rock Hill South Carolina. We are part of the South Carolina Division of the Sons of Confederate Veterans, an organization that is dedicated to helping ensure that the true history of the Confederate States of America and its valiant fighting men is not lost.

We are the descendants of the brave confederate soldiers and sailors that fought for their homeland in the War of Northern Aggression. Every second Tuesday we get together at the Mayflower Restaurant at 6pm to share a good meal and great conversation as well as learn about the War from speakers that come to speak at our meeting. If you have an interest in the Civil War or think that you might have had an ancestor that fought for the Confederacy we welcome you to come to one of our meetings and check us out.

If you have a political agenda or want to somehow overthrow the government please **DO NOT** bother contacting us as we are a Historical Society and want nothing to do with this. If you want to know what we are all about read the charge given to the Sons of Confederate Veterans by South Carolina native Lt. General Stephen D. Lee on April 25, 1906.
